

OCTOGONE FAMILY OFFICE SARL

The company

- Since 1995, we have been advising wealthy families around the world who are concerned about preserving their inheritance and estate planning for future generations.
- Our global vision allows us to work in synergy with the usual advisors, such as notaries, lawyers and accountants, in order to offer you the most appropriate solutions for your family.
- In the context of globalization and the increasing complexity of fiscal and regulatory standards, our cooperation with these external advisors is fundamental to ensure the sustainability of the wealth strategies implemented.
